1. School Loop Road Rehabilitation Amended Award Conditions

***Award Conditions to the Financial Assistance Award  
Between the Denali Commission and the City of Sand Point  
For Sand Point School Loop Road Rehabilitation  
Award No. 1035Amendment 2***

All changes to the award conditions are noted below.

***1. Scope of Work***

This amendment provides an increase of \$650,000 in FY08 FHWA Section 1960 and FY09 FHWA Section 1960 funds to the City of Sand Point for the subject project

Design work has identified increased costs associated with reconstruction of 2.3 miles of deteriorating roadway in Sand Point including drainage and base course and surfacing improvements. This is the main community road connecting housing areas, K-12 grade school, community center/Head Start facility, the health clinic and commercial services. The road also provides access to the landfill. The added funding will join with \$1,500,000 in local funds and \$850,000 in Denali Commission funds to provide a basis for completing a Phase I project of road rehabilitation and surfacing, including a dust palliative. Future Phase II work, including lighting and pavement surfacing will be pursued by the City of Sand Point through federal, state and local funding sources.

***2. Award Performance Period***

The amended Award performance period is August 1, 2008 through December 31, 2011. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
